

# Pat Creek Controversy

IN THE THIRD DISTRICT COURT IN AND FOR DAGGETT COUNTY

STATE OF UTAH

-----

IN THE MATTER OF THE GENERAL :  
DETERMINATION OF ALL THE RIGHTS  
TO THE USE OF THE WATER OF THE :  
DRAINAGE AREA OF THE GREEN RIVER  
IN DAGGETT COUNTY, ETC. :

O R D E R

Civil No. \_\_\_\_\_

-----

The above entitled matter came before the court on July 21, 1960, for further hearing, claimant Mr. Zolph Calder appearing personally and being represented by Mr. Dean E. Conder, claimant Mr. William Allen appearing personally and being represented by Mr. George H. Searle, and the Utah State Engineer being represented by Mr. Richard R. Boyle.

Upon the introduction of additional evidence by the parties as to the waters in the Matt Warner Reservoir in Uintah County and upon the evidence previously introduced in this matter, the court now being fully apprised in the premises, it is hereby

ORDERED 1. That all parties except the State Engineer be, and they hereby are, restrained from altering, adjusting or in any way tampering with the headgate of the Matt Warner Reservoir.

2. That the State Engineer deliver no water to any user until and unless said user has fully paid his water assessments.

3. That the State Engineer release from the Matt Warner Reservoir in Uintah County, 34 acre feet of water for delivery to the Crouse Reservoir of Mr. William Allen and 62 acre feet of water for delivery to holders of water rights in the State of Colorado.
